

、  
The sun dances  
The clouds full of water  
The wind in your hands  
the echo in the forest  
the fog in your hair  
HUP HUP HUP the song of the bird  
the slide of the snake  
the salt traces  
bubbles stone  
smoke water  
creeping  
see tomorrow

the sound of evaporation  
the song of the rain  
the sound of the dove  
the fabric noises  
microscopic porcelain  
the flight of a black bee  
building a nest  
the shadow of the night  
the shadow of the mirror

a stone clusters  
the bird's microphone  
worm of three  
coffee soap

swim the oceans  
walk on the slopes  
slide on the rocks  
touch the heat  
get into the sponge  
smell the rust  
smell the butterflies  
the red of the maple  
the light of mushroom

a yellow grown  
the warmth of light  
the blue orange  
the dusk  
the emerald whistle  
the cloud of mistral  
the ocean sky  
the yellow chickadee

Nitrogen rust  
hand pollution  
the grip metals  
the song of copper

the heat of the mist  
the cliff becomes sand  
salt becomes sand  
a scratch on the skin  
lemon zest  
acidity that protects  
the purple heats  
the orange rains  
the rainbow without water

the flavor of the sandstone  
the notes of pianos  
the carbon free  
the coal in the water

a frozen lake  
a copper smokes  
the heat of sulfur  
a salt evaporation  
the sun on the leaves  
holes on leaves  
CO<sub>2</sub> on the stone

The word blue in your blue eyes  
the foam of the mimosas  
scratches on the skin  
the bark on the cheek
